IMPORTANT NOTICE

ATTORNEYS REQUIRED TO FILE ELECTRONICALLY

Unless specifically exempted, all documents submitted by members of the bar of this district, as well by attorneys admitted pro hac vice, shall be filed in accordance with the district's Administrative Procedures for Electronic Case Filing ("ECF"). For attorneys, that means that while some limited documents will still be filed in paper format, the vast majority of all future pleadings must be submitted electronically using the court's Electronic Case Filing (ECF) system (including cases involving pro se parties). Pro se litigants, however, are not required to file electronically and may continue to file documents in paper format.

The District of New Hampshire is a NextGen CM/ECF court, which means attorneys use their individual PACER accounts to file documents in this district. Section 6.1 of the Administrative Procedures for ECF requires that attorneys appearing in an ECF case must request access to the court's ECF system through PACER. However, attorneys who filed in this district prior to November 12, 2019 must instead link their individual PACER account with their legacy ECF account.

For more information on NextGen CM/ECF visit the court's website.

NOTICE TO PLAINTIFF: You are instructed to serve a copy of this notice on all parties in this case along with the complaint.
